

Exceptional Family Member Program
presents

AUTISM AWARENESS

Please join us for a special workshop facilitated by
LTC SCOTT CAMPBELL

Thursday, 25 March, 2010, 5:00-7:30 p.m.

ACS Bldg. 622, Training Room

Please register with ACS through email at
Josephine.Toohy@us.army.mil
no later than Tuesday, 23 March.

Provide full name and e-mail address of all attendees.

Refreshments and a light meal will be served during the presentation.

- ◆ Limited on-site childcare will be available for pre-registered participants on a first-come basis.
- ◆ Please request childcare services and include the child's name and age at time of registration.
- ◆ Confirmation of childcare availability will be provided by noon on 24 March.

For more information on the Exceptional Family Member Program, go to www.westpointmwr.com
(Click on the Army Community Service drop-down menu to the EFMP web page link.)

LTC Campbell discusses TRICARE benefits, the ECHO program and additional treatment options available to care for a child with Autism. As a military parent of a child with Autism, he advocates for better military benefits, speaks at workshops and support groups and trains first responders. LTC Campbell coaches soccer for children with disabilities and currently serves as the Vice-President for the Autism Society of America-Northern Virginia Chapter.
