

FREE Adult CPR/AED PLUS Child and Infant CPR

Ideal for Daycare Providers, Teachers, Parents or Anyone Who Cares for Children!

- Reflects the Latest Science for First Aid, CPR and Emergency Cardiovascular Care
- Flexible Delivery
- Superior Quality

This course is available **FREE** to Military Personnel and Military Dependents!

An injured child is the worst fear of anyone who cares for children. In less time than you think, American Red Cross training can give you the vital knowledge and skills you'll need to respond with confidence to a life-threatening situation involving an infant or child.

Red Cross Infant and Child CPR training will teach you to:

- Care for conscious and unconscious choking infants and children
- Perform CPR on an infant and child

You'll also receive a participant's workbook and laminated skills card that include full-color images and easy-to-read text that will walk you step by step through a variety of lifesaving skills. The skills card will also serve as an excellent refresher and reference tool after training is complete.
