S.K.I.E.S.

S.K.I.E.S. is offering an Introduction to Irish Dance class. Introduce your child to the basic fundamentals of Traditional Irish Dancing. Beginning in February. Come learn this fun, high energy dance form at the Youth Center. For more information you can call 938-3727

My 4-H group decided to try out the new computers in the tech center by writing poems. Everyone enjoyed it and couldn't believe writing poems could be that much fun. We will be continuing our claymation project as the teens finished making there figures and are now ready to put together the scenery. Soon they will be taking lots of pictures to download into the computer! How much fun is that?
