

YOUTH SPORTS REBALL

It's a HEART POUNDING, ADRENALINE FILLED, FUN TIME FOR ALL!!

ReBall is a sport in which a bunch of individuals form teams and play different team games, such as capture the flag, elimination, etc. Only, in this game each player has a paintball marker (gun) that fires soft rubber balls. If you're shot, you're out of the game and have to wait until the next one starts (which is usually about 5 minutes.) The most common variation is two teams at opposite ends of the playing field and teams fight until one team is eliminated. When you encounter people on the other team, you try to hit them before they get you. Pretty simple and lots of fun. All the fun of paintball, but without the mess of paint (or the expense.)

All participants must have a current child and youth membership, a copy of their shot records and a copy of a physical dated within the last year.
